The slipshod way in which many "slip by" shows that self-analysis is decidedly minus an one more reason for protecting your future.

A policy in the Massachusetts Mutual is a safeguard to many an unintended mistake.

The Times-Dispatch will issue votes on all premium receipts for new policies.

The ALL Virginia cigarette--
Piedmont
The Cigarette of Quality

10 for 5¢

NOTE:--Ocean freight and import duty are proper enough--but they don't make a cigarette any better. That's why a smoker who buys a 5c package of cigarettes of this foreign-grown tobacco doesn't get 5c worth of quality--over 1c out of the 5c goes for ocean freight and import duty. That's 1c waste. Now, with Piedmonts there's no waste--they pay no duty, because they're Virginia tobacco, grown right here in the U. S. A. So Piedmonts can and do give you better quality!

PAY as Much Attention to the Laundering of Your SHIRT as to the Original Selection.

You are fussy about the pattern, fit and quality of your shirt when you buy them. Why not, then, be fussy about their retaining those essentials which first made the shirt attractive to you and which you want to retain.

Unless your shirt is properly laundered it won't last very long; if it is not properly ironed it won't fit very well, and if it is not properly cared for the pattern won't last.

The Royal Laundry assures you by proper equipment, methods and care that your linens will give you the utmost satisfaction.
